

Geography & Environment Laboratory Bookings

Normal working hours are 0900-1700. Only users who have attended a general lab induction and have completed a task-specific risk assessment may commence work.

As a courtesy to other lab users, utilise all bookings you make. Remember: The job is only done when you've tidied up

For booking enquiries contact Tom Bishop (e-mail T.H.Bishop@soton.ac.uk, call ext. 28119, or visit room 44/1009)
